FTSE asserts intellectual property rights in FTSE data and information (including its indices) ("FTSE Data"). FTSE and/or certain third parties have rights in certain trade marks used in promoting FTSE services, which include FTSE Data (the "FTSE Trade Marks"). You require a licence to use or distribute the FTSE Data or to use the FTSE Trade Marks. In the event that you use or distribute FTSE Data or refer to the FTSE Trade Marks with FTSE's express permission, you must comply with the following requirements. For the avoidance of doubt, compliance with these requirements does not constitute a licence nor does it avoid the need for a licence. For further information, please visit the data licences section. The following requirements are incorporated into your licence agreement with FTSE unless expressly agreed otherwise in writing. These requirements are subject to change from time to time. If there is any material change to these requirements FTSE will notify you via the appropriate means identified in your licence agreement or by any other agreed means. FTSE uses certain third party applications and data sources and accordingly whilst every effort is made to ensure that all information given by FTSE in this publication is accurate, no responsibility or liability can be accepted by FTSE for any errors or for any loss arising from use of this publication. All information is provided for information purposes only.
